

Shoes and Clothes for Kids 50th Anniversary Program Growth Fund

To celebrate 50 years of serving Cleveland's families in need, **SC4K is committed to doubling our impact and raising an additional \$1 million during our 50th anniversary year.** Raising an extra \$1 million is our largest fundraising goal ever, but we believe it is attainable because the community cares, teachers care, and you care.

We invite you to join us in honoring the founding work of Morrie Sayre, who saw a need and took action. With support from philanthropic friends like you, that small step was nurtured into an organization that now serves thousands of children each year but could do so much more.

The SC4K 50th Anniversary Program Growth Fund is our gift back the community—an opportunity to express our gratitude for the many years of support *and* a commitment to deliver more services to many more families in the coming years.

Our current budget for expanded programming allows us to serve nearly 7,000 students per year.

With the \$1 million raised, SC4K will provide an additional \$200,000 per year from 2020 to 2025 which has been designated by our Board of Directors to be used solely for program needs.
